

"Where every person matters"

Welcome.....

Welcome back after the Easter Break, we trust you all had a good holiday! Work on the main entrance took place over the holidays with an Archway brightening the area!

Included in this weeks newsletter is a calendar of events for the Summer Term.

Parental Survey.....

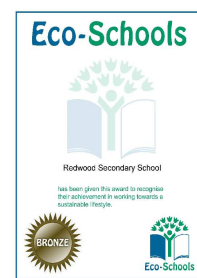

You will now have received a parental survey this can be completed either via the copy sent home or can be completed on the website and emailed back. www.redwood-school.com

Thanks for your support.

Eco School.....

Well done to Redwood School's Eco Committee. They have guided us through improving aspects within school and have just been awarded the **Eco-Schools Bronze Award** A number of steps were taken to achieve this. Initially a committee was established consisting of students, governors, parents and staff. The team worked with the rest of the school to complete an environmental survey and develop an action plan. Included in the plan was a commitment to recycling, reducing energy wastage and supporting healthy living. The school is now working towards the Silver Award and will let everyone know about future developments through the newsletters and on the website in the next few months.

6th form.....

Thank you to all that supported 6th forms 'Food around the World' Enterprise week, food and goods from around the world were sold throughout the week, ending with a fair on 'the Street' - total raised £641.

SMART points.....
