

# Interns @ the Royal Toby

As we step into 2022 it is with great enthusiasm that we announce a very exciting project - Interns @ the Royal Toby. In partnership with the Royal Toby, Redwood Supported Internship will initially start with two interns working alongside permanent staff, providing a service for the local community whilst developing essential work skills with the catering and hospitality sector.

Preparations are being made to speak to directors and day staff with the intention to start placements by Easter. Initial special needs awareness training will be given to Royal Toby staff by experienced Redwood Job Coaches. Different sectors of work are: Housekeeping, kitchen prep, domestics, waiting on, bar work warehouse work, butchery, grounds work. Portering and night staff.

Initial interns will be Amy Smith and Ammer Quayam in different areas of placements e.g. housekeeping and catering then we will initially need two separate job coaches initially. In the future we would have 4/5 interns with one staff but only when the 1:1 job coaching has been completed.

Address: Manchester Rd, Castleton, Rochdale,  
OL11 3HF
