## Internship Success @ The Royal Toby

The Real Work Project Partnership between Deckers Hospitality Group and Redwood Secondary School has entered its second year. The project supports young people with additional needs to develop their skills and employability, with the final year of the course seeing an internship undertaken in a business environment. Last year's programme saw one young person gaining an offer of permanent employment with The Royal Toby Restaurant, which is run by Deckers.

Rob Walker, retail director, added: "The Royal Toby has been part of the local community for over 30 years, and we continue to grow and cement our standing within the community by providing young people with experience and skills to take into their professional lives." Continuing our support with the Real Work Project has enabled us to do this and further expand our relationships with the wider community. We are extremely excited to continue our partnership with Redwood Secondary School in this project."

## External Area Improvements at REEC:

At our Middleton site (REEC) the garden has had lots of work done over the past few weeks, to make it a better use of space for the students. The new equipment includes, outdoor gym, a trampoline and an outdoor classroom (pergola). The work is still happening, but it is looking so much better already! Keep your eyes out for more photos, when its finished!

## We have had a fabulous WORLD BOOK DAY!

Thank you to those parents who came to our 'book tasting café' on Thursday afternoon, it was a great success!

Our pass the book project is now complete and will be sent off to the company to put the story together and we will have our very own digital book! Keep your eyes peeled for this.

The Masked Reader is enjoyed by classes and the full video will be on our Youtube Channel very soon!

We now have a Sports Coach from YourTrust coming in each day over lunchtime to work with the students on the MUGA outside! Tanvir provides a range of inclusive sporting activities for the students to access. I'm sure you will join us in welcoming him to Redwood, we can't wait to see what the students get up to!
