

2<sup>nd</sup> October 2019

Breast Cancer awareness

Dear Parent/Carers

October is National Breast Cancer month and we celebrate the cause with support and great respect for those fighting the great fight and the hope for a cure. To honor those brave individuals and to spread awareness, we are asking our staff and students to wear PINK on Friday, October 18th 2019. Donations are welcome!

This will be a non-uniform day. Please do not go to the expense of buying new outfits, an accessory or clothing with a splash of pink will do.
