Reminder: Parents Evening / Post – 16 Marketplace

Parents evening will take place for all students in year 7 – 11, on Tuesday 18th October. Parents need to use 'school cloud' to book appointments, and then you can see your child's teacher face-to-face in school.

We will also be holding a 'post-16 information evening', where there will be representatives from local colleges and social care providers. This is an excellent opportunity for you to find out information about what is available for your young person after they leave Redwood. This is for parents of students in year 12, 13 and 14.

We look forward to seeing you!

Students helping with developments at REEC!

Our other site, in Middleton is undergoing lots of changes in terms of the building. Our students have been helping with these developments, as they have painted the classroom walls and re – designed the social area.

Great work everyone and we can't wait to see what you do next!
