Pupil Success! Dylan B

We are pleased to announce that another one of our interns has secured employment at 'Caffe Grande Abaco' in Rochdale.

Caffe Grande Abaco have been a great supporter of our internship over the years supporting our students to develop catering and Barista skills. Dylan has secured paid employment and will be working this around his college course at Hopwood. Dylan's advice to students at Redwood is, "Stepping out of your comfort zone is not always a bad thing, it is a really good learning experience".

From the beginning of Redwood Internship Dylan has always wanted to work with animals. During his time on the internship he has worked at Waggy Warehouse and Precious Paws and has had some fantastic reviews of his hard work. For his last placement I asked him to try something different and with a little hesitation he said yes and went to work at Abaco cafe. Three weeks in he has only gone and got himself paid work!!!!
