

Redwood Bulletin

Commando Jo's

Chris and the team at Commando Jo's are working hard with our REEC students, in the accelerated learning group and our year 7 students at Redwood, in aid with transition. They are all working on the 'Operations New Beginnings' programme, which is a fantastic way to support the transition in schools. Students will learn leadership skills, developing self and communication skills.

We hope everyone on the programme enjoys it and learns something with their peers!

EQE

This is an outdoor intervention for students, which helps them with lots of skills. For example, teamwork, self-esteem, interaction and communication. At the moment year 7 are going out into the local woods to complete their EQE, to aid their transition to Redwood. We hope everyone is enjoying EQE, as we are wanting to continue it throughout the school. One recent activity the year 7's have been doing is outdoor cooking!

Sports Awards

Last Friday we held our annual sports awards, celebrating fantastic sport achievements at Redwood in the past year. We had a range of awards to give out and some amazing achievements to celebrate. Well done to all of the winners and nominees!

Wheels Ability

Our EXB classes are currently experiencing the wonderful work of 'Wheels Ability', based in Alexander Park in Oldham. The trails within the park are mainly flat but there are one or two inclines so students may have to pedal harder!

Keep your eyes on our social media pages for pictures of the students working hard!

Meet the Staff – Charlotte Watson (Teacher of Year 8)

What do you like most about working at Redwood?

I like that every day is different, each day is an opportunity to learn something new!

What do you enjoy doing outside of work? (hobbies, interests, with family, friends etc)

I enjoy spending time with my little girl Norah and my husband Nathan, singing, going to concerts, yoga and mindful colouring.

Tell us an interesting fact about you:

I have performed on Britain's got Talent 3 times, but I never got to be on T.V!
