RE: Remote Learning

Dear parent/carer,

As we are sure you are aware, national guidance has now changed around Covid-19 and the pandemic. The government have now moved to a "living with Covid-19" response and Educational guidance around attending schools and learning at home has changed.

The guidance still advises that students remain at home if they have Covid-19 and we are in support of this to reduce risk.

Remote learning will continue to be available via our website, where a child is well enough to engage with learning at home. It is not expected that students who are unwell learn remotely.
