

"Where every person matters"

4th October 2019

Dear Parent/Carer

Playground Opening Ceremony

We would like to invite you to the official opening of our newly developed playground on **Tuesday 15th October at 1.15pm.**

The playground has been funded by events and enterprises such as the Christmas Fair. We are extremely grateful of the efforts put in to these fundraisers by students, staff and parents alike. The success of these fundraisers have allowed us to let the students decide on what they think we should make a big investment in.

The plan to develop the playground was instigated by Student Council. This forum put forward their ideas for creating a more interactive, fun zone in the main playground for all students to enjoy. Their ideas included practical ideas such as more bins, seating and shade but also ideas to help make break and dinners time more stimulating, active and interactive. The new playground includes, outdoor gym equipment, interactive play boards, waterwalls, swings and trim trails to climb and balance on. We hope to hold future fundraising events and activities that will allow us to develop these plans further.

For the ceremony we expect to have guests from the media, the Local Authority and our Board of Governors. To make the opening ceremony more attractive, we will provide biscuits, cakes and soft drinks. If you have some ideas, how to make celebration more fun, please, let us know.

If you would like to join us, please complete and return the slip below by Friday 11th October. If you are attending, we will make arrangements for your child to be brought down to the opening so that you can experience the playground together.

Your sincerely,

Clare John
