

# Redwood Bulletin

## Student Ambassadors:

The student ambassador programme is for KS4 and KS5 students, which follows on from the 'Redwoodian and Redwoodian Extra' main student body leadership pathway that students complete in year 7, 8 and 9. This year, the ambassadors were completely chosen by main student body pupils in a school election, which promoted student voice here at Redwood. Moving forward the ambassadors will now start to work towards a group project followed by an individual project of their choice within their ambassador area. We believe that they will be great models and can't wait to see what work they do this year to improve the Redwood community!

Head to our social media pages to see who are the new ambassadors! On Facebook: @Redwood School, on Twitter: @rochdaleredwood, on Instagram: @redwoodrochdale

**What do you like most about working at Redwood?**

The students! I love how the students teach me new things every day. They teach me new ways of thinking about things, how to be resilient and how to be the best version of myself.

**What do you enjoy doing outside of work?**

I enjoy going on long walks with my dog Vinny, spending time with my grandma and Godsons, eating snacks and having a lie in.

**Is there anything else you'd like to tell our families about yourself?**

Thank you for trusting us with your wonderful young people. It truly is a privilege to play such an important role in the learning journey of our students and to work alongside you in supporting them.
