

"Where every person matters"

JM/ab

17th September 2019

Dear Parent/Carer,

Our school continues to subscribe to a reading programme called Bug Club that we would like to share with you. Below you will find key information about the scheme and how you can get involved.

What is Bug Club? Bug Club is a finely-levelled reading scheme, which ensures that all children can find books at exactly the right level for them. What's more, there are online versions for every printed title and a personalised website for each child.

How do you use the online reading world at home? If you have access to the internet, your child can enjoy reading **Bug Club** books online at home. Each child has a unique homepage and can log into it by following these steps:

Bug Club

1. Go to www.activelearnprimary.co.uk
2. Enter the login details (look for the sticker on your child's diary for these details)
3. Your child's homepage will appear.

How can you support your child?

At the beginning of each book, there are notes for adults to read. These notes identify words with which children may need help and give ideas and strategies to help you feel confident that you know how to help. As the books get more challenging to read, the notes are intended to deepen each child's understanding of the book. They provide background information about the time or place the book was written or sometimes information about the author or illustrator.

Throughout the books there are quiz questions for your child to complete. To answer a question, just click on the bug icon. Your child does not need to finish all the quiz questions in one sitting and can come back to a book later.

When your child has finished all the quiz questions in a book, he or she will earn 'ActiveLearn Coins'. By reading more books, your child will earn enough coins to 'buy' a reward in one of the many reward schemes.

We hope that you and your child will love these books and enjoy reading them at home.

Yours sincerely

Mrs. J. Mulligan
